Save this receipt as Week06/Receipt/Week06_Mission_Receipt.pdf

FINAL CHECKS

Editable model saved; all three PDF pages checked; GitHub access checked.
These are learner confirmations, not an automated file inspection.

NEXT ACTION

Save this receipt in Week06/Receipt. Commit and push again.
Submit the same GitHub repository URL in Canvas.

This receipt records review acknowledgments and learner confirmations.
It does not establish understanding, assignment acceptance or a grade.
Canvas keeps the official submission, dates and grade.
